

A SUMPTUOUS NEW BOOK FROM ONE OF NEW ZEALAND'S BEST KNOWN LANDSCAPE PHOTOGRAPHERS

Rob Suisted is one of New Zealand's most established and best known photographers, with 16 books published of his work and his photos visible in many different, high profile settings, including New Zealand Post postage stamps and New Zealand bank notes.

This latest book, New Zealand is a tribute to the quality and depth of his landscape photography, a collection of his best work that reflects a lifetime of interest in, and deep concern for, the remarkable diversity of the New Zealand landscape.

Beautifully produced in both large and small format, this book is testament to the skill and dedication of one of this country's most important landscape photographers.

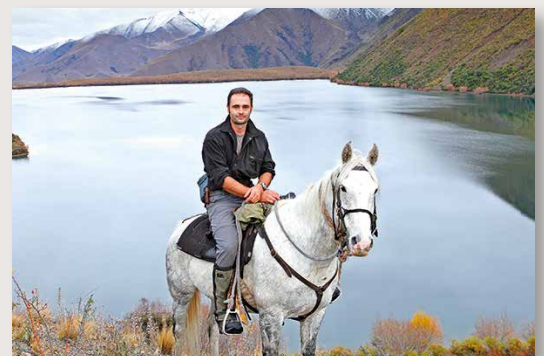

Author Information

ROB SUISTED has a BSc in zoology and conservation management, and worked as the national marine mammal advisor at the Department of Conservation for over a decade.

His passion for photography however, took him out of conservation management and into professional photography. His stock photo image library Nature's Pic Images was one of the first photographic stock libraries to go online in New Zealand and contains over 60,000 high quality images, supplying images to a wide range of clients both nationally and internationally.

Rob also regularly travels to the Antarctic and/or Arctic as a expedition lecturer, guide and photographer.

He lives with his family in Wellington.
