

# WE HAD ONE OF THOSE TOO!

STEPHEN BARNETT

*We Had One of Those Too!* celebrates even more motoring memories from New Zealand's golden age of motoring. Filled with a beautifully illustrated collection of cars, from the 1950s through to the 1970s, that Kiwis loved and drove during that period, this book is literally a nostalgic drive down memory lane.

*We Had One of Those Too!* showcases the cars that have become icons of New Zealand popular culture, and that we, or our parents and grandparents owned. Featuring 35 cars *We Had One of Those Too!* is delightfully illustrated using the evocative artwork of sales brochures of the times, and includes details of the cars technical descriptions, along with text about its social history and nostalgia.
